# AJIT THAPA

---

## PROFILE

I am an energetic individual, hungry to learn new things every day. Moreover, I am very passionate about my work and like to tackle obstacles but never back down in doing so. Having an academic background in IT, I am interested in Web Development. I am confident enough that I would give my 100% during my working period. I can easily cope up with my colleagues and work with efficiency and effectiveness.

## EDUCATION

Texas College of Management and IT

(Bachelor of Information Technology)

2018 - 2022

GPA: 3.4

---

## WORK EXPERIENCE

Subisu Cable Net (Technical Support Representative)

Assisted customers in identifying issues and explained solutions to restore service and functionality. Collaborated with supervisors to escalate and address customer inquiries or technical issues

K.B.L Securities Limited [Assistant (IT Department)]

I handled the overall IT department where I had to resolve the technical issue that arose in Web applications that were in use, co-ordinated with the Website vendor to modify the components and made tweaks in the backend when needed and innovated new ideas to automate the operation.

---

## TRAINING
